EDUCATION

BACHELOR'S DEGREE, COMPUTER SCIENCE AND ENGINEERING

THE OHIO STATE UNIVERSITY
- Honors Program
- Club Tennis - Scarlet Team
- HackOHI/O Webteam Developer

2022 - PRESENT

HIGH SCHOOL DEGREE

OLENTANGY HIGH SCHOOL
- GPA: 4.236

2018-2022

SKILLS

SOFTWARE
- Microsoft Office Products
- Figma
- Adobe Creative Suite
- SolidWorks
- Blender

PROFESSIONAL
- Customer Service
- Product Management

LANGUAGES
- C/C++
- JavaScript
- HTML
- CSS
- Python
- MATLAB
- Dart
- Java

FRAMEWORKS
- React
- Flutter
- Django

PROFILE

Honors college student at The Ohio State University majoring in computer science and engineering. Seeking to leverage my skills in software development to fill a software engineering intern position, while aiming to contribute to the goals of the company and take on more responsibility as quickly as possible. I believe my fast learning abilities, commitment to succeed, and relevant field experience make me the perfect fit for this type of position. Expected to graduate with a B.S. in Computer Science and Engineering in May of 2026.

WORK EXPERIENCE

CREW MEMBER

CHIPOTLE MEXICAN GRILL   MAY 2022 - JANUARY 2023

- Took orders and prepared food for customers while managing a high volume of customers and maintaining a fast pace.
- Demonstrated strong multitasking skills by maintaining a clean and organized workstation, restocking ingredients and supplies as needed, and communicating with the kitchen staff while simultaneously serving customers.

SOFTWARE ENGINEERING INTERN

AWARE   FEB 2022 - APR 2022

- Developed a React web application for the company under the guidance of a mentor, demonstrating strong problem-solving and coding skills and contributing to the company's efficiency and productivity.
- Gained valuable hands-on experience in software engineering through the opportunity to work closely with a team member and observe the development process firsthand.

MECHANICAL ENGINEERING INTERN

IC3D PRINTERS   SEP 2021 - DEC 2021

- Worked closely with team members to learn about various aspects of the 3D printer manufacturing process, including design, engineering, and customer service.
- Repaired and maintained 3D printers, including diagnosing and troubleshooting issues, performing regular maintenance, and replacing worn or damaged parts.

STOCK ASSOCIATE

HOLLISTER COMPANY   MAY 2021 - AUG 2021

- Demonstrated strong multitasking skills, managing multiple tasks and projects simultaneously while maintaining high levels of efficiency and accuracy.
- Assisted with various tasks and responsibilities, including processing orders, managing inventory, and interacting with customers in-store and over the phone.
